What we are doing

- The section of Purchas Street between Geraldine Street and Manchester Street is due for road reconstruction.
- The work is not a 'like for like' replacement as we are making changes to the streetscape, hence, consultation was undertaken with residents. We distributed a consultation pamphlet on 14 June 2012, and the closing period for feedback was 12 July 2012. We received fifteen responses.
- All submissions were considered by the design engineers and submitters have been advised of the engineer's response.
- This project will be presented at the 5 September 2012 meeting of the Shirley/Papanui Community Board requesting that the project be approved for construction. The report will be included on the Community Board agenda, which will be available on <http://www.ccc.govt.nz/Council/Agendas/> three working days prior to the scheduled meeting. The plan to be presented to the Board is shown over the page.
- Should the community board has approve the plan, we can start work. We anticipate starting work on 10 September 2012.
